

Fact sheet for the Swiss Freeski Tour 2017/18

The Swiss Freeski Tour offers the opportunity for talented people to measure their skills against one another and present their spectacular tricks to a wide audience at a national level. Thirteen one-day or multi-day contents will bring forward the best skiers by the end of the season. The Swiss Freeski Tour serves as a springboard to the international freeski scene for up-and-coming athletes, and welcomes more than 600 participants per year.

Conditions of participation and registration

While only licensed skiers are admitted to the FIS races, *it is possible for all athletes to participate in the open competitions*. Insurance and equipment are the responsibility of the person taking part. Registration can be carried out online or at the event; early registration online is recommended (CHF 10 cheaper).

Values and goals

- Creating a platform for initial experiences in competitions
- Enabling national and international comparisons
- Introducing athletes to the top-class sport
- Promoting popular sport and the freeski community
- Advancing and supporting all disciplines (halfpipe, slopestyle, Big Air)
- Actively encouraging off-snow training and new ideas (Kaninke race)
- Quality assurance of the park and pipe infrastructures
- Ensuring continued fair judging
- Inclusion of all parts of the country as far as possible
- Focusing on the athlete
